

America Has Gone To Hell!

By David J. Stewart

Genesis 18:32, “And he said, Oh let not the Lord be angry, and I will speak yet but this once: Peradventure ten shall be found there. And he said, I will not destroy it for ten's sake.”

I used to say that America is going to Hell; but then realized one day that our nation has already gone to Hell. The United States is incredibly wicked today, spitting in God's face and disregarding the commandments of God's Word. The U.S. has become an obese, pleasure seeking, arrogant, angry, worldly, Godless, self-righteous, ungrateful, sick-minded society.

When a nation stoops so low spiritually that 4,000 precious human beings are slaughtered every day by abortion, that nation has already gone to hell. Young girls today, they just wanna have fun. Young girls today just wanna party. Today young girls wanna go to a nightclub and have open sex on the floor of the nightclub, and then put it on YouTube, and if they should get pregnant they want to throw the baby into a dumpster. That's the new America! No morals. No self-respect. No nation. No borders. No language. No culture. No responsibility. Now that's America today!

When a nation stoops so low spiritually that pornography is legalized and people are downloading it to their cellphones, that nation has already gone to hell. Sodom had no such evil inventions.

When a nation stoops so low spiritually that God's name is taken in vain in nearly every Hollywood movie produced, that nation has already gone to hell.

When a nation stoops so low spiritually that public school children are taught that they are animals, who evolved from stardust, that nation has already gone to hell.

When a nation stoops so low spiritually that they nickname an entire city, “**SIN CITY**”—where Americans flock by the millions to gamble, fornicate, patronize strip clubs, view whorish theatre performances, partake of witchcraft, and nearly every other sin imaginable—that nation has already gone to hell.

Here's what **USA TODAY** had to report about the filthy, spiritually rat-infested, worm-hole of Las Vegas . . .

Sin City uncovered: Vegas strips down to embrace its naughty side

By Kitty Bean Yancey, USA TODAY

LAS VEGAS — Tourist couples entwine on front-row sofas at the climax of Cirque du Soleil's adults-only *Zumanity* show, watching two dozen cast members simulate an orgy on a revolving stage called "the Lazy Susan of Sex."

Among them is a middle-aged female audience member who has been pulled onstage into a horizontal clinch with a bare-chested hunk.

"This is Sin City...anything is OK," *Zumanity* drag diva Joey Arias, who plays the "Mistress of Seduction," says later. Audience high jinks he has witnessed include overly amorous duos and a woman who gleefully whipped off her top and slapped her chest against the hunk's during her spin onstage.

"What happens here, stays here," the famed Vegas tourist slogan says. And as Las Vegas ratchets up the raunch factor to an unprecedented level — \$8 billion was dropped last year on adult entertainment such as strip clubs, the Sin City Chamber of Commerce estimates — does it ever!

Anyone who interacts with visitors in this adult fantasyland can offer eyewitness reports of tawdry behavior. Vegas racked up its best year ever in 2006 with 38.9 million visitors and 93.2% hotel occupancy, the Las Vegas Convention and Visitors Authority says.

More than ever, visitors engage in activities they'd never consider at home, from getting lap dances at strip joints, to picking up a stranger or calling up an escort, to visiting swingers' clubs.

"People come here to do the nasty. The sexy, the naughty — this is the most potent incarnation of Vegas so far," says former professional gambler Anthony Curtis, publisher of LasVegasAdvisor.com, citing an explosion of escort services, topless shows, massage parlors and "gentlemen's clubs" in a place that made its name on gambling and then tried a brief, not-so-successful stint as a family destination that ended about 2001...

Despite the fact that prostitution is illegal here, the phone book's Yellow Pages boasts 126 pages of "entertainers" who'll visit hotel rooms. Entries include "Secret Room Service Satisfaction Guaranteed," "Campus Sorority Sisters Cutting Class To Be With You" and "Fetish World: What's Your Pleasure?" There's something for every predilection, from "Wild Teen Tami" to "Affordable Older Women" to "Girly Man Gary."

Touts on the Strip hand out cards with racy photos and phone numbers of escorts. Hookers hang out at casinos and proposition solo males.

"Our vice squad is busy," says officer Martin Wright, a spokesman for the Las Vegas Metropolitan Police Department.

Strip clubs, where the \$20 lap dance is lapped up by conventioners and bachelor partiers, are requisite stops for men on their own, says Michael Tones, vice president of VegasVIP.com. "Gambling is secondary now," he says...

Las Vegas is all about adults having fun," Maloof says. Visitors "have their Vegas mind-set once they step off the plane."

Law enforcement personnel understand that mind-set, says officer Wright...

"The notion is that it's all men coming here and hiding stuff from their wives," says Howard Lefkowitz, president of the Vegas.com website. "Women come here and do stuff, too, because they think, 'They're not going to find out about it in my hometown.' "

'Cause, you know. What happens in Vegas ...

That is so tragic. Can you imagine... *"Tourist couples entwine on front-row sofas at the climax of Cirque du Soleil's adults-only Zumanity show, watching two dozen cast members simulate an orgy on a revolving stage called 'the Lazy Susan of Sex.'"* 38.9 million visitors came to Las Vegas in 2006 alone to see this filth! Although prostitution is illegal, the *Yellow Pages* boasts 126 pages of "entertainers" (i.e., prostitutes) who'll visit hotel rooms. The police are trained to look the other way. God bless America?

Proverb 14:34, "Righteousness exalteth a nation: but sin is a reproach to any people."

I knew a Lutheran pastor who organized a trip and drove his congregation to **SIN CITY** Las Vegas. That same preacher once said to me, "You and that King James cult." It doesn't surprise me that an evil man who would lead his congregation into sin, would also embrace the corrupt Bibles of our time that attack the deity of Jesus Christ, remove the Godhead and teach the heresy of Lordship Salvation in Romans 10:9. Instead of preaching against the evils of **SIN CITY**, that pastor takes his congregation there to party!

The [Lutheran Church](#) is straight out of Hell, nothing more than [repackaged Catholicism](#).

Las Vegas law enforcement officer Martin Wright said, "The notion is that it's all men coming here and hiding stuff from their wives." Men and women alike flock to sin city to sin. Howard Lefkowitz, president of the Vegas.com website, "Women come here and do stuff, too, because they think, 'They're not going to find out about it in my hometown.'" Michael Tones, vice president of VegasVIP.com. "Gambling is secondary now." Vegas is a hellhole!

"People come here to do the nasty. The sexy, the naughty — this is the most potent incarnation of Vegas so far," says former professional gambler Anthony Curtis, publisher of LasVegasAdvisor.com." Vegas is a cesspool of iniquity!

The notion of sin has been lost in America...

Popular evangelist Joel Osteen, pastor of Lakewood Church in Houston, never mentions sin in his TV sermons or best sellers such as *Your Best Life Now*.

"I never thought about (using the word 'sinners'), but I probably don't," Osteen told Larry King in an interview. "Most people already know what they're doing wrong. When I get them to church, I want to tell them that you can change."

A *U.S. News and World Report* article (December 2003, *The New Old-Time Religion*, by Jay Tolson, pg. 42) quotes [Lon Solomon](#), pastor of the McLean Bible Church near Tyson's Corner, Virginia (a megachurch that draws up to 10,000 people on Sundays) as stating...

“Abortion and homosexuality are minor concerns in our church. The bell we beat is that we must know Jesus. We are offering people a different and better way to live than secular America offers.”

No wonder 50,000,000 babies have been brutally slaughtered in the United States since 1973. No wonder homosexuals are now getting married and adopting children. You know that American society has gone to Hell, when homosexuals are allowed to legally marry and adopt children. Just as with abortion, homosexuality has become mainstream and the evil newsmedia are silent about it. The Bible still stands as God's Word.

It is tragic that America's biggest and fastest growing churches are eerily silent concerning the woeful evils afflicting America. Rise up oh Christian! Rise up against the evildoers and workers of iniquity (Psalm 94:16). Public schools are now launching an all-out attack on our values, attitudes and religious beliefs. They will act to pull your children out of your home, if their "skilled" psychologist pulls information from your child as to your Biblical orientation within your home.

Jewish Hates Crimes Against Christians

The Jewish *American Defamation League* (ADL) would go ballistic if someone produced a show called “Good Jewish Bitches,” but that is exactly what the Jews have done toward Christians. The new sitcom TV series called [‘GCB’ \(Good Christian Bitches\)](#) debuted on March 4, 2012 on ABC television. It's ok to slander and blaspheme Christians in America, but not Jews nor Muslims. The Jewish ADL doesn't say a word when Christians are attacked, because the director of programming at ABC is Jewish.

Nearly every [Hollywood movie today curses in God's name](#), blaspheming the holy name of Jesus Christ. [Jewish comedian Sarah Silverman](#) says...

“Good! I hope the Jews did kill Christ, I'd do it again. I'd F*cking do it again in a second!”

—Jewish comedian, Sarah Silverman, [Jesus is Magic](#); 72-minute movie, 2006

Christians are so hated amongst Talmud Jews that they're spitting on them in Israel still today, just as they spat in Jesus' face. Christians In Jerusalem Want Jews To Stop Spitting On Them (literally). Nearly all TV networks are owned by Jews who exploit teen girls for profits. They have no respect for Christians. The Disney corporation is of the Devil. They'd never produce a show called "Good Muslim Bitches." It would NEVER happen! But they can degrade Christian women and no one gets angry. What's wrong with our churches today? Americans have lost their faith in God, trusting instead in the government to care for them...

"Humanism is mental idolatry." —Dr. Jack Hyles, from the sermon titled, How We Got Here

Here's what the director of the *National Prayer Network* has to say (and I agree with him) about the new shameful GCB sitcom...

National Prayer Network

"GOOD CHRISTIAN BITCHES:" JEWISH "HATE CRIME" AGAINST CHRISTIANS?

By Rev. Ted Pike

March 5, 2012

Nearly 60 nations are governed by the Jewish Anti-Defamation League's hate crime laws. In all of them except America, ADL's definition of a hate crime is to publicly "express hatred or contempt against members of an identifiable group."

This perfectly describes Jewish Disney/ABC's new sitcom *Good Christian Bitches*. (GCB) Few Christians would deny it holds up our "identifiable group" to contempt. Disney/ABC is headed by Robert Iger, Jewish. GCB's executive producer is Darren Star, a Jewish homosexual. It is directed by Alan Poul, also a Jewish homosexual and is produced by Aaron Kaplan, Jewish.

I watched the first episode and found this sitcom fulfills all of ADL's criteria of a hate crime: it is motivated by bias against Christianity. It negatively stereotypes Christians. It expresses intolerance by portraying Bible-belt Christianity derisively. It marginalizes evangelical Christians as a group that is "other" than the mainstream: ridiculous and contemptible for its hypocrisy, crass materialism, vindictiveness and closet immorality.

The term "Jewish American princess" or "JAP" has become familiar in popular culture to denote the Jewish equivalent of the women

caricatured on ABC's sitcom: catty, materialistic, shallow, backbiting. But you will never see a primetime sitcom about them. In 2004, Urban Outfitters created a t-shirt that said, "Everyone loves a Jewish girl," decorated with dollar signs and purses. The Anti-Defamation League immediately cried "anti-Semitism!" and the t-shirt was pulled. This was a *t-shirt*. Imagine the response if it were a primetime TV sitcom starring popular actors and actresses! Yet since *GCB* is about *Christian* women, not a word is said.

SOURCE: NPN Email Alert: "Good Christian Bitches:" Jewish "Hate Crime" Against Christians?

Isn't that terrible? The director and producers of *GCB* are Jewish. Walt Disney produced this shameful show, which portrays Christian women as sluts, gossipers, deceivers, sex engines and criminals. Two of the three are homosexuals. Who can argue that Jews are some of the biggest enemies of Jesus Christ. I love Jewish people, and there are many Christian Jews today; however, there is also a small group of wealthy elite Jews who hate Jesus Christ and blaspheme Him every chance they get.

Consider what Jewish comedian Sarah Silverman says about Jesus Christ. So many Jews today hate Jesus Christ! Hollywood is Jewish owned and blasphemes the holy name of Jesus in every film they produce. Hollywood is the pedophile capital of America! Hollywood is more homosexual than San Francisco!

Many Jews today are arrogant, just as they were back in Jesus' time. The Jews today reject Jesus as their Messiah, blatantly. It is hard to understand the Jew's sinful pride and rebellion, but their forefathers murdered Jesus and said, "His blood be on us, and on our children" (Matthew 27:25). Their attitude hasn't changed. Decent Jewish people ought to be ashamed of what some of their own in Hollywood and Walt Disney are doing toward Christians. Only Christianity is being attacked and defamed. They're not attacking Buddhists, Muslims or Jews; but rather, born-again Christians.

It is clear to me that the Antichrist will arise from the Jews for numerous reasons, including because the worst enemy of Christianity today are ungodly, Christ-rejecting, Zionist Jews. This does not refer to the average decent Jewish person; but rather, to corrupt elite and powerful wealthy Jews who own and control the newsmedia, White House, newspapers, music industry and the television networks. Proof of what I say is blatantly seen by such shows as "Good Christian Bitches." ABC's website blog says that Christians should take the show in good humor, but if anyone did this to the Jews they'd go bananas with anger!!!

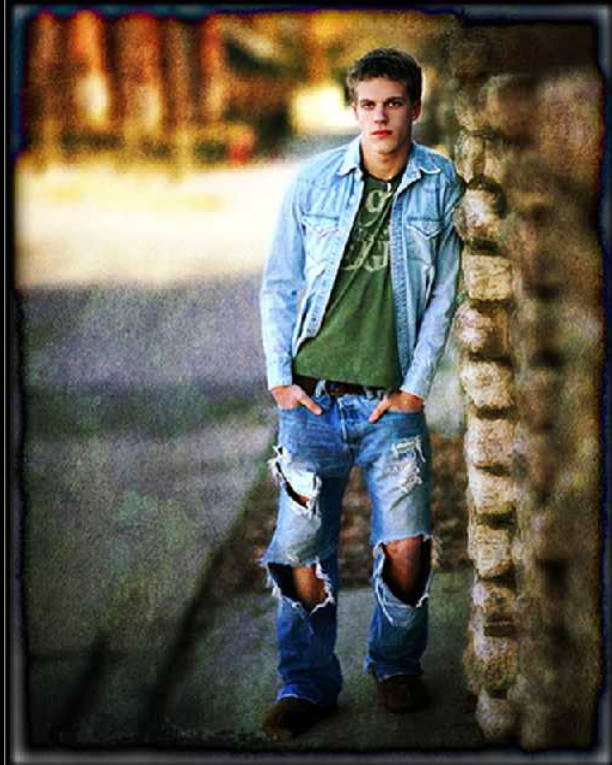

Madison Avenue

Madison Avenue has caused Americans to feel inadequate. Since the 1920s, the street's name in downtown New York city has been synonymous with the American advertising industry. It is wickedness. The power elite in this nation wants us to feel stupid, ignorant, inadequate and powerless.

Madison Avenue too, in fact, thrives on pounding in our psyches that we are inadequate and can only be smart, beautiful, strong and charismatic if we use their brand of underarm deodorant, et cetera.

Madison Avenue's "The Fashionable Road" between 57th Street and 85th Street, showcases clothing designed by homosexuals over in France, featuring jeans with the knees torn out, looking like someone got battery acid on them. Insanely, people pay thousands-of-dollars for this trash, which they label as "fashion." This is America today!

Worldly teenagers have been taught by the sicko Rock 'N' Roll culture to dress bizarre, sloppy and immodest. And so they are bizarre, sloppy and immodest in their behavior as well. Rock 'N' Roll is straight out of Hell.

Lesbian Barbie?

Respect for God and decency are gone in America . . .

Teen sues over 'lesbian Barbie' shirt ban

NEW YORK (Reuters) — A New York teenager alleged on Thursday that teachers violated her civil rights when they suspended her from school for wearing a "Barbie is a Lesbian" T-shirt.

Lawyers who filed a lawsuit on her behalf in Manhattan federal court said 14-year-old Natalie Young is openly lesbian and that a teacher laughed at her, calling the garment and its reference to the popular Barbie doll "inappropriate."

Young alleged that the principal held her for three hours in an office at the school in the borough of Queens on April 10, 2002 and refused to allow her to return to class while she wore the T-shirt.

A spokesman for the city education department, a defendant in the lawsuit, declined immediate comment.

Young was suspended for the day and the principal threatened to send her home again if she wore the T-shirt to school in future, the lawsuit alleged.

"Schools cannot legally engage in this type of selective, content-based suppression of speech," lawyer Dan Perez said. "If she had worn a 'Barbie

Supports the Troops in the War in Iraq' T-shirt, she would have been called a patriot."

Perez said that on another school day before the T-shirt incident, teachers made Young remove rainbow colored beads from her hair, although she was not suspended then.

The lawsuit, which names the education department, school principal and several teachers as defendants, seeks a declaration from the court that Young's constitutional right to free speech was violated. It asks the department to issue guidelines on students' dress and on dealing with students' expression of their sexual orientation.

The lawsuit, which was filed in the name of the student's mother, Kathleen Hodges, because Young is a minor, also seeks unspecified monetary damages.

"That is not the most important issue here but if a jury decides to contribute to Natalie's college fund, all the better," Perez said.

What do you expect when you remove God from the public schools? The girl's mother sued the city of New York because her daughter was banned from wearing an offensive shirt. To no surprise, the greedy mother wants money in the suit. Thankfully, *Mattel* has fought in court against the notion of a lesbian Barbie doll. It's too bad that they don't also have a problem with *Barbie* being immodestly clothed like a whore.

Sodom was Destroyed for Lack of Righteous People

God was angry with the inhabitants of the city Sodom for their rebellion and wickedness. God decided to destroy the city entirely. Abraham pleaded with God to spare Sodom. God told Abraham that He'd spare Sodom if 50 righteous people could be found.

Genesis 18:26, "And the LORD said, If I find in Sodom fifty righteous within the city, then I will spare all the place for their sakes."

Abraham knew immediately that it would be a challenge and began to barter with God to lower the number, eventually settling for 10 righteous people.

Genesis 18:32, "And he said, Oh let not the Lord be angry, and I will speak yet but this once: Peradventure ten shall be found there. And he said, I will not destroy it for ten's sake."

Abraham couldn't even find 10 righteous people, i.e., saved, born-again believers. Sodom was utterly destroyed with fire and brimstone; but even more frightening is that the Bible says they suffered **"the vengeance of eternal fire"** (Jude 1:7). Jude 1:7 tells us that Sodom was destroyed in such a manner as an example to the ungodly, of what will happen to them as well. Please do not be mistaken, all Christ-rejecters will suffer **"the vengeance of eternal fire"**

America is an evil nation today. We are living in Sodom and Gomorrah. Americans are so blinded to their own wickedness, that they're unable to see the forest for the trees.

Anyone who can't see that we are living in Sodom and Gomorrah today is a fool. Once a person backs up a bit to view the big picture in Light of the holy Scriptures, the dire condition of America is clear. I read the precious Word of God everyday. I love the Bible. I love it so much! The Bible has so many precious passages of Scripture. The Bible is my best friend in all the world. The more I suffer through life, the more precious the Word of God becomes to me. I have suffered in agonizing pain for years, without remedy.

I was reading this week in Matthew 6:24 where Jesus said no man can serve two masters, for he will despise the one and hold onto the other. Thus, is it surprising that so many people despise Jesus Christ, the Bible and the things of Christ nowadays? Instead, people hold onto money, rock music, SIN CITY, television, video games, pornography, gambling, worldly possessions, the stock market, et cetera. I serve the Lord Jesus Christ!

That's why I don't watch TV anymore. I hate it. I Guarantee you that if you stop watching TV for a year, live in the Word of God day-by-day, and then see the TV a year later, you will be absolutely shocked and made aware of just how evil this generation has become. Homosexuality, just like abortion, is becoming mainstream. Everyday in America, 4,000 precious children are killed in the womb, without a word being mentioned in the newsmedia. It's insanity! While the newsmedia spent one year idolizing the O.J. Simpson murders, over one million children were silently holocausted in abortion death clinics all across America. The hypocrisy is unprecedented in history.

I cannot help but wonder how many righteous people remain in America. I wonder if there is a number, or percentage of righteous people that God is looking for to spare judgment on America? Sadly, I do not see many righteous people nowadays. I see a lot of churchgoers and religious groups; but I don't see many people who love the truth, preach the truth and care about the truth. Jesus said that they who worship God must do so in truth. As a believer who loves Jesus Christ, that makes me care. God cares (1st Peter 5:7). People who don't care don't walk with God. Jesus said we ought to help "the least of these" because He cares. Most people only care about themselves.

The Gospel Has Been Corrupted in These Last Days

Increasingly, heretics like Ray Comfort and John MacArthur are perverting the Gospel into a Catholic type of works-based salvation, where a person is required to GIVE UP their sins to be saved, deny one's self and make a full surrender to obey Christ. That is NOT what the Scriptures teach at all. Romans 4:5, 2nd Corinthians 5:21, Romans 10:3-4, Ephesians 2:8-9, Titus 3:5 and Matthew 6:33 teach that we are saved by **Christ's righteousness**, and not by our own self-righteousness; and a good thing, because we have none to offer God (Isaiah 64:6). You don't have to give up anything to be saved. Salvation is receiving, not giving.

Due to the increase of false Bibles in America, we have also seen a sharp increase in false doctrines, false prophets and false Gospel's. Look no further than Romans 10:9 in the corrupt [*New International Version*](#) of the Bible (NIV) and you'll find the heresy of Lordship Salvation being taught. Oh, how we need to get back to the good ole trustworthy *King James Bible*.

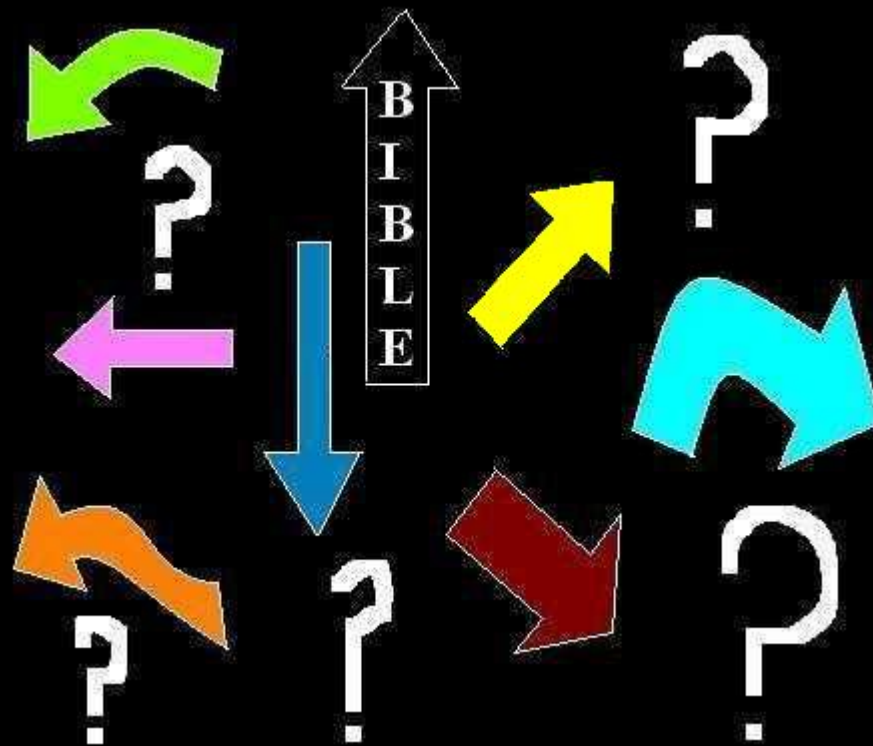

You know, if the *King James Bible* was good enough for Dwight L. Moody, Harry Ironside and Billy Sunday, then I suspect it's good enough for you too. Phooey on modern perversions of the Scriptures, which Satan is using to corrupt the Church. A corrupt Bible

produces corrupt fruit, and my how the world's churches have been corrupted today!

One of the reasons why there is a shortage of righteousness people (i.e., saved, born-again, Christians), is because there is a shortage of *King James Bibles* in our churches today in America. Since the U.S. sends out far more missionaries than any other nation, all Satan

needs to do to corrupt the world is corrupt the U.S. (and he has). Even the college founded by Dwight L. Moody 100 years ago has gone apostate, honoring John MacArthur and teaching a Lordship Salvation Gospel.

The Devil is subtle and the Gospel so easily corrupted. We are SINNERS and Jesus is the SAVIOR. It's that simple. Adding anything to the simplicity of the Gospel makes it a false Gospel. Salvation happens when we acknowledge our guilt of sin before God and believe on Jesus, the Christ, the Son of God, to forgive our sins (Acts 10:43).

Isaiah 13:11, “And I will punish the world for their evil, and the wicked for their iniquity; and I will cause the arrogance of the proud to cease, and will lay low the haughtiness of the terrible.”

Sodom and Gomorrah
